**Importantly note: Aforementioned pricing inclusive of SEAI grant of €3,500.**

<sup>1</sup>This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at [www.volkswagen.ie/wltp](http://www.volkswagen.ie/wltp).

<sup>2</sup>Net to energy amount.

<sup>3</sup>The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO<sub>2</sub> emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](http://volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](http://volkswagen.ie/wltp).

To discover exact values please configure your desired vehicle at [volkswagen.ie/build](http://volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](http://volkswagen.ie/wltp).

<sup>4</sup>The ID.3 Pro and Pro S model ranges are available in different performance levels. You can still purchase performance upgrades for your vehicle even after delivery. The highest available value is stated as the highest useable power in the certificate of conformity (COC) and the information derived from it in your registration documents. Depending on the power level ordered, the activated engine system power of your vehicle may be different than that stated in the registration documents and the COC. You can see the activated engine system performance of your vehicle in the vehicle status in the infotainment system. If the information in your registration documents and the COC is higher, this does not constitute a claim to the (maximum) properties shown there. Please consult your local Volkswagen retailer for more information on these changes.

<sup>5</sup>State subsidies refer to VRT relief and SEAI Grant for Private Customers, Business/Commercial Buyer State subsidy comprises of VRT relief, all of which are subject to approval. SEAI Grant is not applicable on vehicles with a list price of over €60,000. For more information [click here](#)

<sup>6</sup>All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT. €1,395 includes optional 'S Pack' ID. Service Plan which can be removed upon request. Maximum Delivery charge with Service Plan removed is €1,095. 'S Pack' ID. Service Plan includes one service, with pollen filter and brake fluid replacement.

<sup>7</sup>Recommended 'On the Road' Retail price.

VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW36/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Volkswagen IE may change RRP's at any time (this includes where there are changes in government regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](http://volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 3rd October 2024. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please click here <https://www.volkswagen.ie/en/owners-and-users/wheels-and-tyres.html> higher, this does not constitute a claim to the (maximum) properties shown there. Please consult your local Volkswagen retailer for more information on these changes.

# ID.3 Pure

52kWh Battery  
388km Range

## Interior Equipment

- » Centre console and armrests
- » Dimming interior rear view mirror
- » Interior ambient lighting in 10 colours
- » 60:40 split rear seats with load through hatch
- » Leather-wrapped multifunction steering wheel
- » 4 speakers
- » 'Taia' cloth seat trim covers
- » Rear centre arm rest
- » 2 rear cup holders
- » Play/Pause pedals

## Safety

- » Driver and front passenger airbags with front passenger deactivation
- » Curtain and side airbag in front, with center airbag
- » ISOFIX anchorage points for two child seats in rear, and one anchorage point on front passenger seat
- » Safety-optimised head restraints in front
- » 3-point seat belts front with seat belt pretensioner
- » Warning signal and warning light for front and rear seat belts not fastened
- » Emergency braking with pedestrian and cyclist monitoring
- » Electronic steering column lock
- » Electromechanical speed-sensitive power steering
- » Electronic Engine Immobiliser
- » Electric mechanical Brake Booster
- » Electronic engine sound between 0-30km/h
- » Oncoming vehicle braking when turning and swerve support
- » Driver Alert System
- » Alcohol interlock preparation
- » UN ECE cybersecurity software update

## Functional Equipment

- » 12.9" Infotainment system
- » 'Keyless Start' without SAFELOCK
- » 2 USB-C front & rear interfaces with increased charging capacity
- » Forward Collision Warning 'Front Assist'
- » Car 2X Technology car-to-car wireless information transfer
- » Wired App Connect (Android Auto) and wireless App Connect (Apple CarPlay)
- » We Connect Plus
- » Park Distance control - warning signals for obstacles in front and rear
- » Dynamic Road Sign Display
- » eCall emergency call service
- » Voice control incl. ChatGPT
- » Driving Profile Selection
- » Digital cockpit on steering column
- » Diversity antenna for FM reception
- » Digital Radio Reception DAB+
- » Tool Kit
- » Tyre Pressure monitoring system
- » Automatic dimming for interior mirror
- » Centre console with illuminated storage compartment and sliding cover
- » Preparation for Functions-On-Demand

## Exterior Equipment

- » 17" steel wheels
- » LED headlights with automatic headlight control
- » Exterior mirrors, power folding/adjustable, heated, w/front passenger exterior mirror lowering function
- » Heated front window washer nozzles
- » Rain sensor
- » Folding exterior mirrors, power adjustable, heated and with front passenger exterior mirror lowering function
- » Rain sensor
- » Exterior surround lighting with unique puddle light design

## Charging Equipment

- » Charging cable Mode 3 Type 2, 32 A
- » Battery charging capacity - max. 7kW AC, max. 145kW DC
- » 8 year battery warranty or 160,000km, which ever comes first

# ID.3 Pure Plus (in addition to Pure)

52kWh Battery  
387km Range

## Interior Features

- » Floor mats

## Assistance Features

- » Rear view camera
- » 'Light Assist' highbeam control

## Exterior Features

- » Metallic Paint
- » Privacy glass for rear side windows and rear window
- » 18" 'East Derry' alloy wheels

## Comfort Package

- » 2-Zone Air Care Climatronic
- » Leather-wrapped multifunction steering wheel, heated
- » Heated front seats
- » Navigation system "Discover Pro"
- » Rain sensor
- » Comfort mobile phone interface with inductive charging feature

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 3rd October 2024, for production from CW36/2023 onwards. All prices include VAT and VRT. Prices and specifications are subject to change without notice.

# ID.3 Pro

58kWh Battery

Engine	52kWh	58kWh	77kWh
Engine type	Electric	Electric	Electric
Driving range WLTP Combined <sup>2</sup> , km	382 - 388	417 - 434	536 - 555
Max. output <sup>3</sup> , HP/kW	170 / 125	204 / 150	204 / 150
Max. torque, Nm	310	310	310
Gearbox	Single-speed	Single-speed	Single-speed

## Performance

Top speed, km/h, where the law permits:	160	160	160
Acceleration, secs 0 - 100km/h:	8.2	7.6	8.2

## Battery and charging system

Battery type	Lithium Ion	Lithium Ion	Lithium Ion
Gross vehicle weight, kgs	2,260	2,280	2,420
Rated capacity, kWh	52	58	77
Official consumption WLTP <sup>2</sup> , kWh/100km	15.2 - 15.5	15.3 - 16.0	15.8 - 16.3
Number of cells	TBC	TBC	TBC
Nominal voltage, V	353	397	354
Charging time, AC, 2.3kW 0%-100%, hour <sup>4</sup>	TBC	TBC	TBC
Charging time, AC, 7.2kW 0%-100%, hour <sup>4</sup>	8h30m	N/A	N/A
Charging time, AC, 11kW 0%-100%, hour <sup>4</sup>	N/A	6h30m	8h30m
Charging time, DC 10%-80%, hour <sup>4</sup>	0h25m	0h24m	0h28m
Maximum DC Charging Power, kW	145	165	175
Combined CO2 emissions, g/km	0	0	0

<sup>1</sup>VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW36/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

<sup>2</sup>The specified fuel consumption, range, and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO2 emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](https://www.volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](https://www.volkswagen.ie/wltp).

<sup>3</sup>The ID.3 Pro and Pro S model ranges are available in different performance levels. You can still purchase performance upgrades for your vehicle even after delivery. The highest available value is stated as the highest useable power in the certificate of conformity (COC) and the information derived from it in your registration documents. Depending on the power level ordered, the activated engine system power of your vehicle may be different than that stated in the registration documents and the COC. You can see the activated engine system performance of your vehicle in the vehicle status in the infotainment system. If the information in your registration documents and the COC is higher, this does not constitute a claim to the (maximum) properties shown there. Please consult your local Volkswagen retailer for more information on these changes.

<sup>4</sup>These are average charging times that can vary depending on certain conditions such as temperature

To calculate your estimated driving range please click here <https://www.volkswagen.ie/en/electric-cars/e-mobility-tools.html>

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](https://www.volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles. Please note every effort has been made to ensure the contents of this publication (including RRP, CO2, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 3rd October 2024. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
