The New Golf

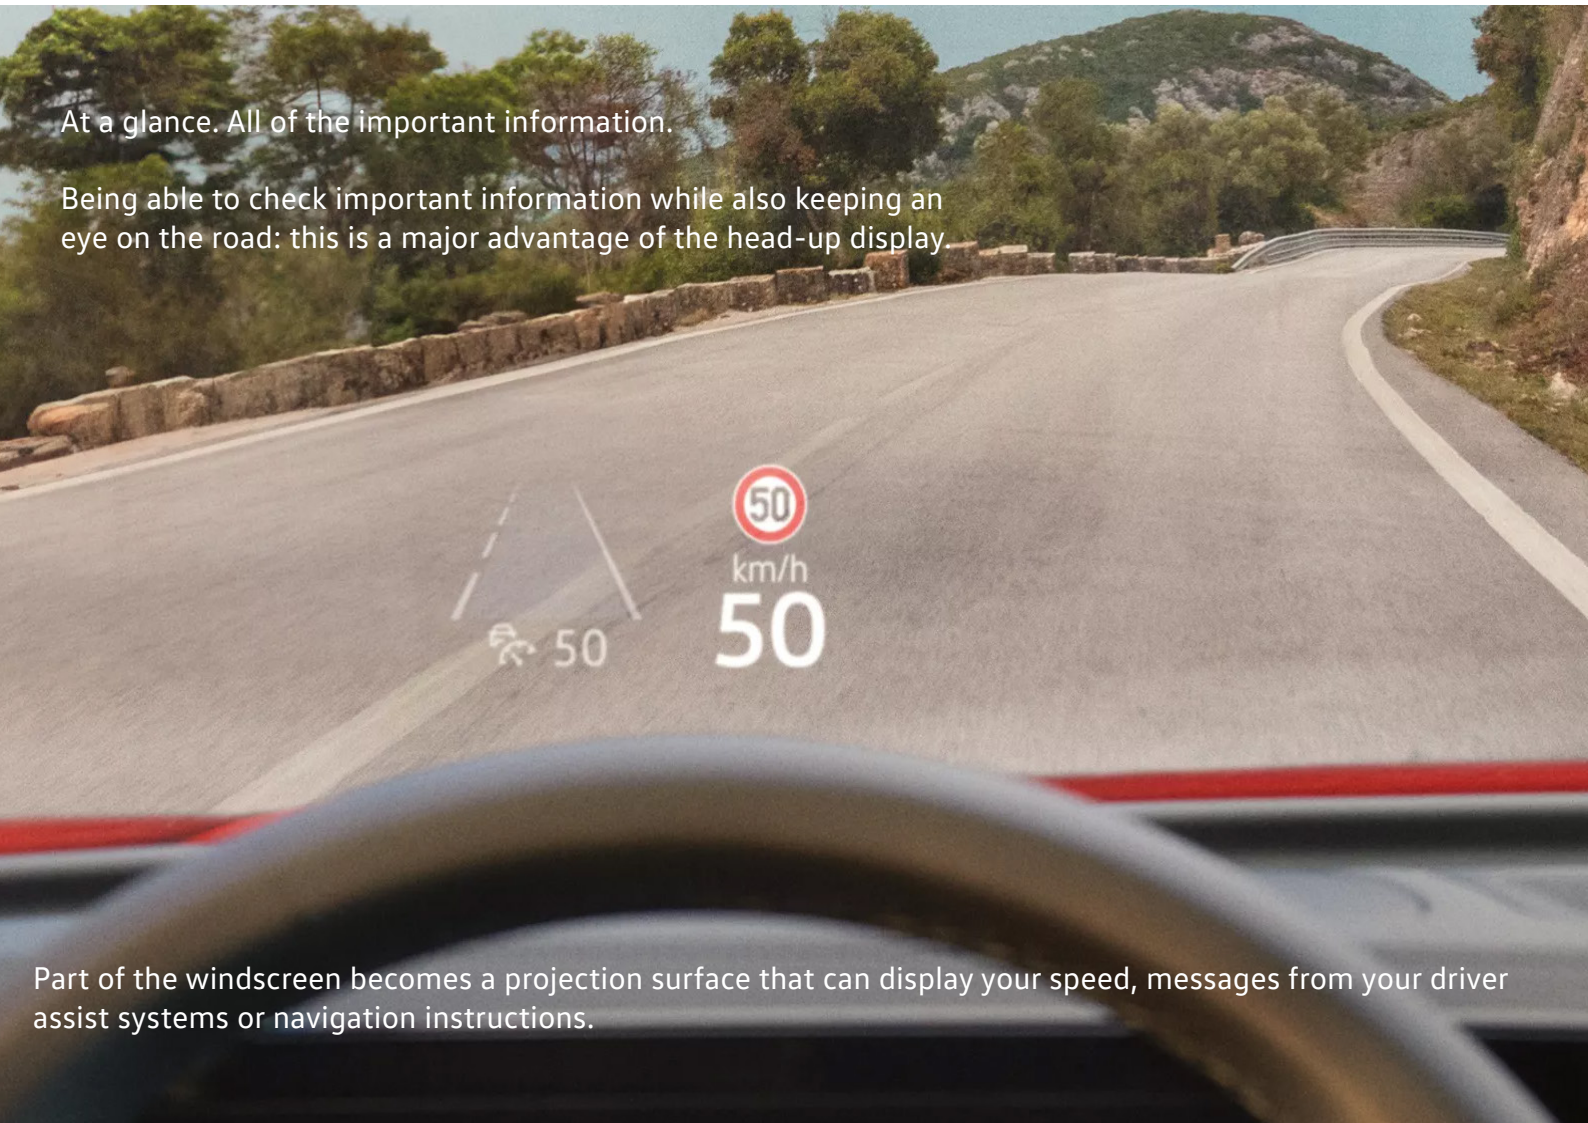
GTE/GTI/GTI CLUBSPORT/ R/R BLACK EDITION

Effective from 01.08.2025

The Golf GTE

Thanks to efficient plug-in hybrid technology, the Golf GTE guarantees you driving pleasure as standard: The improved plug-in hybrid performance of 180 to 200 kW and the increased electric range of more than 100 km.

You can charge the battery for your electric motor easily using a normal domestic socket. The AC & DC charging function integrated as standard allows the charging time to be reduced.



At a glance. All of the important information.

Being able to check important information while also keeping an eye on the road: this is a major advantage of the head-up display.

Part of the windscreen becomes a projection surface that can display your speed, messages from your driver assist systems or navigation instructions.

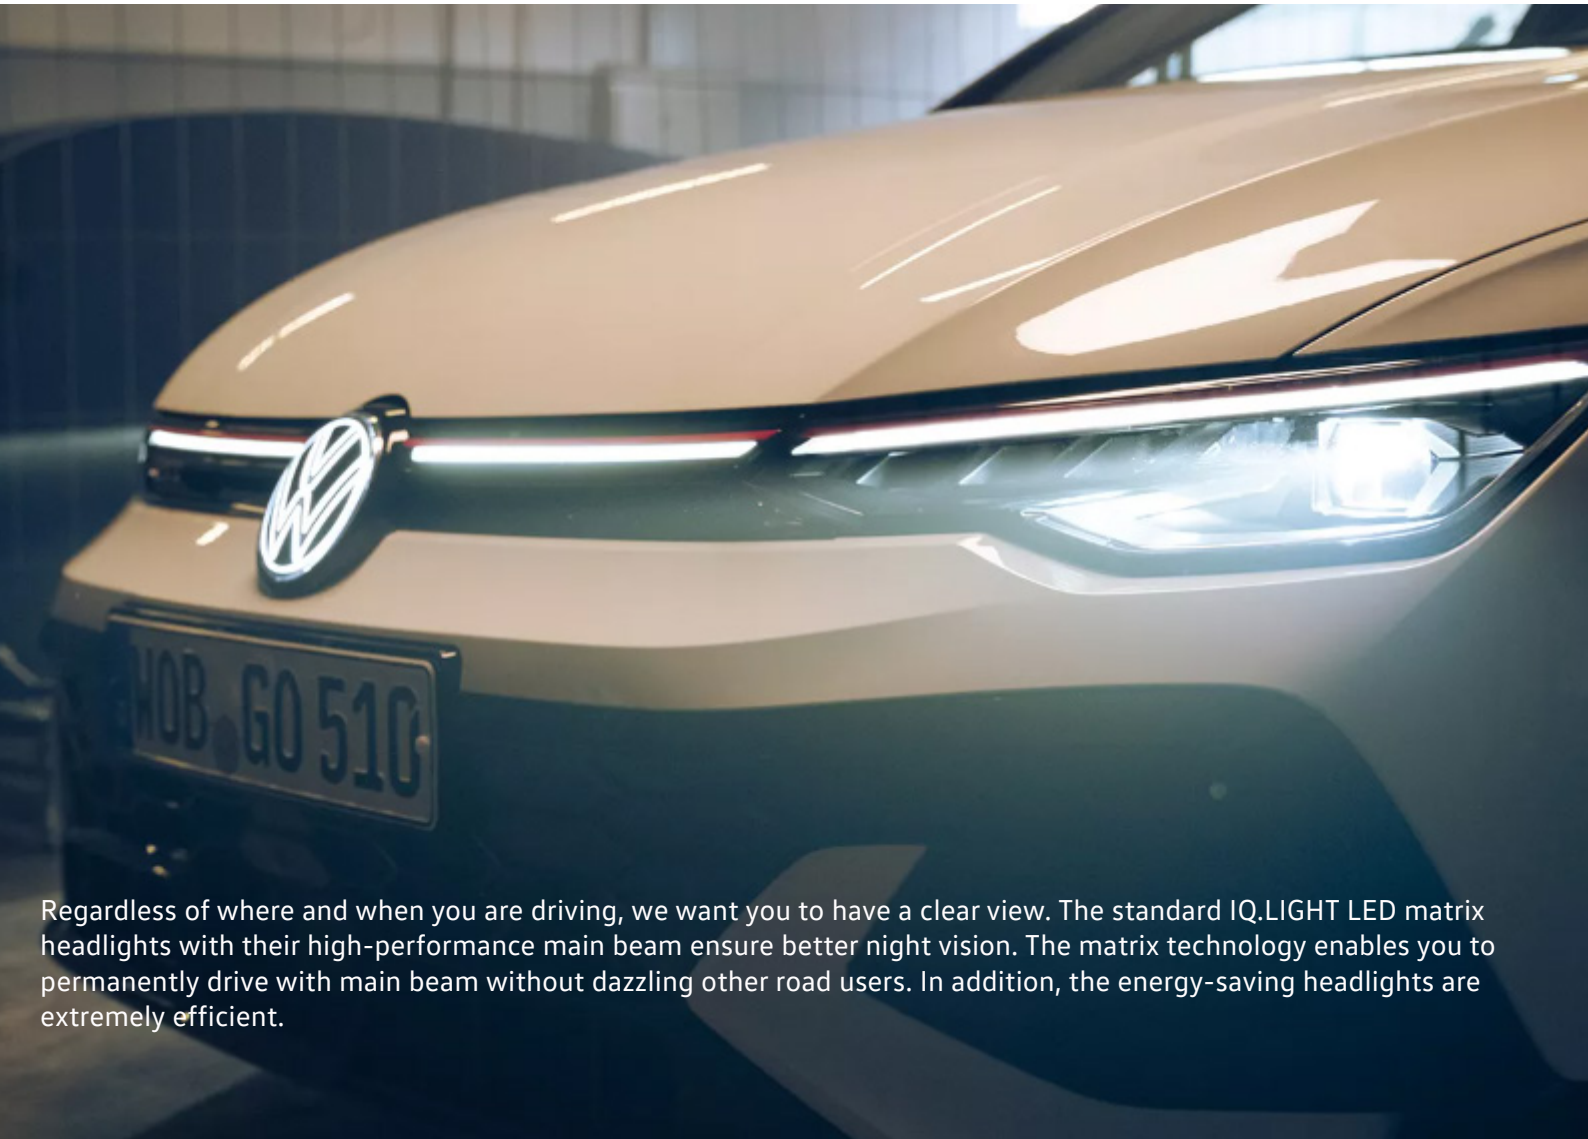
The Golf GTI

Performance upgrade from 180 to 195 kW, you can now accelerate from 0 to 100 km/h in 5.9 seconds. The front differential lock combined with the progressive steering ensures even greater comfort on your journey. You can try the new sports mode, which offers you torque reserve when stationary and optimised launch control as an option.

Optional Leather Vienna seats
Pack WL3 with climate seats in front

The Golf GTI Clubsport

The Golf GTI Clubsport now shows even more motorsport passion right from the start – with its even sportier front design, additional air intakes and many details in high-gloss black.
From the standstill, the GTI Clubsport reaches 100 km/h in just 5. 6 seconds. The front axle differential lock in combination with progressive steering ensures even more comfort on your journeys, even at a top speed of 250 km/h.



Regardless of where and when you are driving, we want you to have a clear view. The standard IQ.LIGHT LED matrix headlights with their high-performance main beam ensure better night vision. The matrix technology enables you to permanently drive with main beam without dazzling other road users. In addition, the energy-saving headlights are extremely efficient.

The Golf R

With a maximum output of 245 kW (333 HP) the new Golf R sprints from 0 to 100 km/h in just 4.6 seconds, making it the most powerful Golf of all time.

The Golf R is equipped with 18-inch "Jerez" rims and 225/40 tyres as standard.

Lighter and more efficient, the new 19-inch Warmenau forged wheel available as an option.

All wheels are fitted with a hub cap which for the first time features the "R"-logo instead of the "VW" emblem.

The Golf R Black Edition

Wrapped in a completely dark robe, the special model of the new Golf R not only has the potential of a new design icon, but also dissolves the boundary between series production and motorsport

Note: The above images may display optional extra equipament

[1]VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW48/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

[2]The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography.

To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

[3] All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT. €1,820 includes optional VW New Vehicle Service Plan (3 Services) Service Plan which can be removed upon request. Maximum Delivery charge with Service Plan removed is €1,095. Please note the delivery & service plan charges is for 252 orders only.

[4]Recommended On the Road Price.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO_2, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st of August 2025. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please click here https://www.volkswagen.ie/en/owners-and-users/wheels-and-tyres.html

Golf GTI

Interior Equipment

- GTI leather-wrapped multi-function sports steering wheel with red topstitching and push buttons, heated, and shift paddles.
- Instrument cluster, mph speedometer
- 2 LED reading lights in front and rear
- Front center armrest, height and longitudinally adjustable
- Gearshift knob/handle in aluminum
- Lumbar support in front
- Pedals in brushed stainless steel
- Unsplit rear bench seat, split folding backrest with center armrest
- Sport front seats and rear seats specific fabric “Scale Paper” with GTI logo embraced on seats
- Premium sports seats in front
- Front Sports seats with height adjustment
- Front head restraints integrated intothe seats
- Carpet mats in front and rear
- Auto-dimming interior rear view mirror
- GTI specific decorative inserts “Mesh” for dashboard and front door trim panels
- 30-color ambient lighting
- Illuminated center console storage compartment in front
- Gloss black centre console
- Illuminated vanity mirrors in sun visors
- LED light unit in front footwell selectable light color

Exterior Equipment

- 18” ‘Richmond’ alloy wheels, Black, diamond-turned surface incl. anti- theft wheel locks and extended anti-theft protection, tires 225/40 with sporty vehicle dynamics
- GTI exterior badging
- Body-colored exterior mirror housings and door handles
- GTI specific body-coloured bumpers, air intake in honeycomb structure
- IQ Light: LED Matrix Headlights & Taillights
- Illuminated Volkswagen logo in front and molding between headlamps
- Illuminated door handle recesses
- 3D LED rear combination lamps with dynamic turn signal
- Automatic LED separate daytime running light and Coming Home feature
- Front fog lamps in X-shaped and cornering light
- Exterior mirrors, power-adjustable, heated with memory feature
- Tinted rear and side windows
- Laminated safety glass windshield, heat and sound insulating
- Diversity antenna for FM reception
- Surround lighting with light projection
- Rear exhaust tailpipe

Functional Equipment

- 12.9” Navigation system “Discover”
- IDA voice assistant with ChatGPT integration
- Voice Enhancer
- Rear View Camera
- 6+1 speakers
- Multi-color Digital Cockpit Pro
- VW Connect
- Wireless Charging (fast charge)
- 2 USB-C interfaces in the front and 2 USB-C interfaces in the rear
- App-Connect Wireless for Apple CarPlay and Android Auto
- Heated front seats
- 3-Zone Air Care climatronic air conditioning system with allergen filter
- Speed limiter with predictive control
- Keyless locking and starting system and Keyless Access with SAFELOCK
- Hill start assist
- Adaptive Cruise Control ACC
- Advanced high-beam control with Light Assist
- Dynamic headlight range control with dynamic cornering light
- Lane change system Side Assist
- Rear Traffic Alert and exit warning system
- Travel Assist’ with Lane Assist and Emergency Assit
- Dynamic Road Sign Display
- Park Distance Control - warning signals for obstacles in the front and rear
- 12V socket in boot compartment
- Tyre Pressure Monitoring System
- Tyre Mobility Kit incl. toolkit
- Rain Sensor
- Start/stop technology with regenerative braking
- Body lowered by approx. 15mm (GTI & GTI Clubsport models only) Shock absorption in front
- Electronic parking brake incl. autohold function
- Sports suspension
- Progressive steering
- Driving mode selection
- Emergency call service
- Two-tone horn
- Park Assist Pro (Remote Park)

Safety

- ISOFIX anchorage points mounting fixtures for child seats on rear bench seat and on front passenger seat
- 3-point seat belts front and rear
- UNECE cybersecurity & software
- Proactive passenger protection system
- Advanced driver attention & drowsiness monitor
- Auto. Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring
- Warning buzzer and warning light for front seat belts not fastened
- 3 head headrests in rear
- Curtain airbag system for front and rear passengers including side airbags in front, center airbags
- Driver and front passenger airbag with front passenger airbag deactivation
- Hand brake/low brake fluid level warning light
- First aid kit and warning triangle
- Anti-theft alarm system with interior monitoring, backup horn, and towing protection
- Preparation for alcohol interlock
- Electronic front differential lock XDS
- ESC (Electronic Stability Control including comfort braking assistant, steering pulse, ABS, EDL, ASR, and multiple impact brake and electronic brake booster
- Car2X Technology Safety

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Golf GTI Clubsport

(where different to GTI)

Interior Equipment

- GTI Clubsport specific sport seats
- Front seats and outer rear seats “ArtVelours” in microfleece

Exterior Equipment

- GTI Clubsport specific side trims
- Cornering light and poor weather light
- Front disk brakes upgraded to 18” (17” on GTI)
- GTI Clubsport specific body-coloured bumpers, air intake in honeycomb structure

Functional Equipment

- Progressive steering
- GTI Clubsport shock absorption in front and rear
- Rear stabilizer bar
- Alternate Fuel Injection system for higher horsepower engines
- Instrument cluster with electronic speedometer, trip odometer, and tachometer

The Golf GTI Clubsport is recognised by the large wings in the front

Note: The above images may display optional extra equipment

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Golf GTE (where different to GTI)

Interior Equipment

- GTE specific leather-wrapped multi-function sports steering wheel and push buttons, heated, with shift paddles
- GTE specific decorative inserts “Mesh” for dashboard and front door trim panels
- Front seats and outer rear seats in cloth “Scale Paper”
- Instrument cluster with electronic speedometer, odometer and trip odometer, tachometer

Exterior Equipment

- 17” ‘Richmond’ alloy wheels incl. anti-theft wheel locks and extended anti-theft protection
- GTE specific body-coloured bumpers, air intake in honeycomb structure
- GTE exterior badging

Functional Equipment

- Head-Up display
- Electronic differential lock XDS

Battery Equipment

- Charging port located on front fender
- Mode 3 Charging cable, Type 2, 32A (AC wallbox/ AC charging unit)
- Mode 2 Charging cable, Type 2, 10A (domestic socket)
- 8 Year battery warranty

Note: The above images may display optional extra equipment

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Golf R (where different to GTI)

Interior Equipment

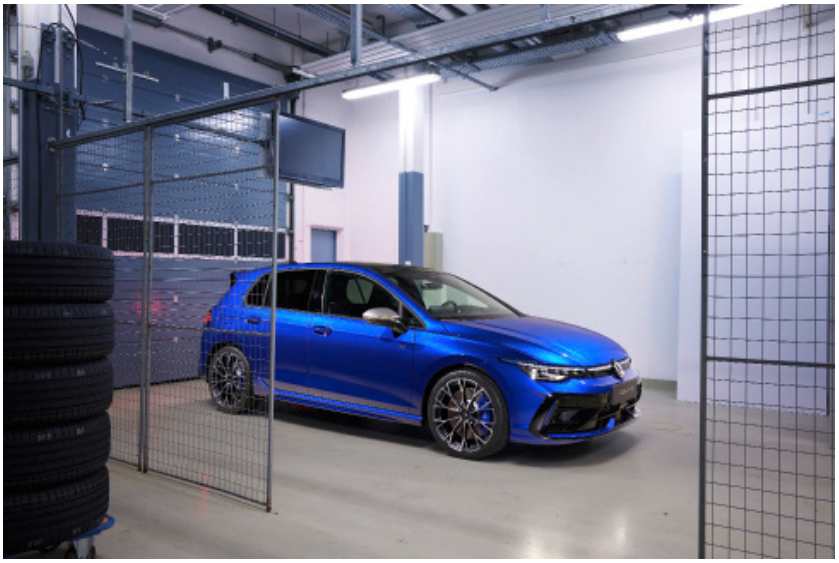
- Front and outer rear seats in fabric R-specific inner sides of bolsters in “ArtVelours” microfleece
- R specific leather-wrapped multifunction sports steering wheel, heated, with touch control and shift paddles

Exterior Equipment

- 18” ‘Jerez’ alloy wheels, Black diamond-turned surface
- 225/40 R18 tires with sporty vehicle dynamics
- R specific badging
- Bumpers and sill extensions in body colour in “R” style
- Nameplate set “R”
- Exterior mirror housings in matte chrome
- R specific door and side trim panels
- Rear two-part spoiler in R style
- R specific brake callipers on front and rear wheels
- Painted R-design rear bumper

Functional Equipment

- 4MOTION torque vectoring four wheel drive system
- Body lowered by approx. 20mm for
- enhanced shock absorption
- Progressive steering
- Instrument cluster with electronic speedometer, trip odometer, and tachometer
- Front and rear stabilizer bar
- R specific front and rear shock absorption
- Fuel system for the most powerful fuel injected Golf engine, without fuel return
- R specific upgraded front 18” disc rear 17” disc brakes finished in blue
- Electronic differential lock XDS
- Cornering light and poor weather light



Note: The above images may display optional extra equipment

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Golf R Black Edition (in addition to Golf R)

Addtional Equipment to Golf R

- 19" Estoril alloy wheels in black
- Wheel hub cover with dark R-logo
- Black brake caliper with dark R logo
- Dark R Logo exterior badging in front and rear
- Black tailpipe trim
- Mirror caps in black
- R Performance package including
  - Top speed limit 270 km/h
  - Drift and Special driving mode
  - Large roof spoiler
  - GPS Lap timer + Accelerometer

Note: The above images may display optional extra equipment

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Options (continued)

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. **For your exact configuration value, both Co2 g/km and RRP, please visit volkswagen.ie configurator.**

8J x 19 Tyres: 235/35 R19

OPTIONAL ON R

19" Warmenau Alloy Wheels in Black

8J x 19 Tyres: 235/35 R19

OPTIONAL ON R

19" Warmenau Alloy Wheels, Dark Graphite diamond-turned

8J x 19 Tyres: 235/35 R19

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. **For your exact configuration value, both Co2 g/km and RRP, please visit volkswagen.ie configurator.**

Technical Data

Engine	2.0 TSI 265HP Petrol[1]	2.0 TSI 300HP Petrol[1]	2.0 TSI 333HP Petrol[1]

WLTP Emissions Combined,CO2	161-167	171-174	184-188
Emission class	EURO 6 EB	EURO 6 EB	EURO 6 EB

[1]VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW48/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO_2, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st of August 2025. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Technical Data

Engine	GTE 1.5 TSI 177HP PHEV[1]
Gearbox type	6 speed auto DSG
Engine type	Petrol/ Hybrid
Fuel tank capacity, ltrs	40
Cubic capacity, ltrs/cc	1.5/1,498
Max. output, kW/HP	130/177
Max. torque, Nm	250
Electric motor/ Charging system	
Electrical power output, kW (Electric motor only)	85
Combined Max Output, kW/HP	200/272
Combined Max tourque, Nm	400
Battery Type	Lithium Ion
Battery energy capacity, kWh	19.7
Charging time: AC 2.3 kW, 100% State of Charge, hour:min	12:00
Charging time: AC 11 kW, 100% State of Charge, hour:min	2:30
Charging time: DC 40 kW, 10-80% State of Charge, hour:min	0:26
Electrical power consumption kWh/100km	
Combined, kWh/100km	15.9-16.1
Electrical range, km	130
WLTP emissions combined	
WLTP CO2 emission, g/km (min-max)	7.2-7.5

[1]VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW48/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography.

To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.
